7. Write up of *Swachhta Abhiyan* conducted during 2018-19:-

The Central Academy for State Forest Service, Dehradun has identified and adopted a multipronged strategy to achieve its vision of transforming itself into a carbon neutral campus. Salient features of this strategy are as below:-

- Reuse of milk packets to grow nursery plants.
- Distribution of plants saplings.
- City farming demos to schools, colleges and visiting foresters and other forestry classes to demonstrate *in-situ* disposal of biodegradable waste.
- Conducting workshop on biodiversity, forestry conservation and management for Officer Trainees.
- Officers Club of this academy to organize painting, drawing and poster competitions focusing on beating plastic pollution.
- Cloth bags will be distributed to the residents and plastic bags use will be discouraged.
- Seminar on plastic pollution, vertical garden etc.
- Short films will be shown to the OTs, staff and residents of the CASFOS campus.
- Involvement of Officer Trainees, staff and their families to ensure pollution free Himalayan rivers.
- This academy has already banned use of plastic items in day to day activities in training and in mess also.
- A pledge will be taken to refuse, reuse, recycle and reduce the use of plastic in day to day life.

i. Clean and efficient energy use practices:-

- a) Phasing out of CFL and replacing by LED lighting in phased manner.
- b) Use of parabolic solar cooker in the officers mess to reduce LPG consumption.
- c) Initiated steps for switching to solar energy to meet 100% energy requirement of the academy in the near future.

ii. Managing organic waste:-

- a) Managing organic waste generated in the campus through innovative City Farming technique.
- b) Adopting high speed composting method using patented bio-culture Vermi 3G for utilizing leaf litter and garden waste.
