

Annual Report (2024-25)

Central Academy for State Forest Service,
Dehradun

ANNUAL REPORT (2024-25)

Name of the Academy: **Central Academy for State Forest Service, Dehradun**

Ministry / Division: **Ministry of Environment, Forest & Climate Change, New Delhi**

1. About the Academy –Brief Introduction and objective:

The Central Academy for State Forest Service, Dehradun is one of the three premier forest institutes in the country for imparting training to State Forest Service personnel. The other two Academies are in Coimbatore (Tamil Nadu) and Burnihat (Assam). These three Central Academies for State Forest Service are under the administrative control of Directorate of Forest Education, Ministry of Environment, Forest & Climate Change, Government of India. DFE and all its associated academies were brought under the single command of Director, IGNTA as administrative head vide MoEF&CC order No. 15-15/2018-RT dated 03.02.2022.

The Primary mandate of the Academy is:

- a. Imparting Professional Training in practical forestry and related subjects at the induction stage to the newly recruited State Forest Service Officers.
- b. Conducting workshops and short-term refresher courses for the in-service State Forest Service Officers.
- c. Short term training on relevant topics of forestry and wildlife sector for other stakeholders and personnel of other services-

2. Details of Induction Trainings of SFS Officers conducted during 2024-2025: -

(a) Activities Detail of 38th SFS Induction Course (2024-26) of F.Y-2024-25.

➤ ***One-Day Trip / Trekking***

1. **Dhanaulti Trip-** Did trekking to Surkanda Devi Temple and visited Eco Park to learn about high altitude vegetation and other forest related work.
2. **Heritage Walk-** A Heritage Walk was organized to the serene Malsi Reserve Forest, culminating at the sacred Suryadevi Temple. The walk was graced by our respected Principal Meenakshi Joshi ma'am and Ankit sir, making it a memorable and enriching experience. We trekked through scenic trails of Sal Forest, explored the diverse flora and fauna of the forest, and connected with the spiritual atmosphere of the Suryadevi Temple. It was a day of learning, reflection, and bonding, leaving everyone inspired and rejuvenated.
3. **Assan Barrage-** The Assan Barrage is a barrage situated at the confluence of the Eastern Yamuna Canal and the Assan River in Doon valley (Dehradun district). It has been declared as Uttarakhand's first Ramsar site in 2020. It is an important site for bird conservation. We spotted red crested pochard, pond heron, Pallas gull, Himalayan swiftlet, Ruddy Shelduck etc.
4. **Thana Range-** visited to observe and learn about forest Sal, Sal regeneration, and forest conservation at Thana Range.

➤ **Officer Club Activity:**

1. **Welcome Party for Director, DFE &Principal, CASFOS Dehradun (01.01.2025)**- CASFOS Dehradun Organized the Welcome Party for Director, DFE &Principal, CASFOS Dehradun in collaboration with the forgoing Officers' Club Team at Officers' Mess, South Hostel. The event began with the brief introduction of Director and Principal followed by the introduction of 37th and 38th batch by respective Course Directors. The then office bearers presented the Annual Report of the Officers' Club.
2. **Sankranti Celebration (14.01.2025)**- upon VP, Officer's Club direction bird watching session was organized at the Asan Barrage area where Officer trainees observed many migrant and native bird species.
3. **Holi Celebration (14.03.2025)**- Officers' Club Organised the Holi Celebration event. Principal, CASFOS and the family and Course Director, 38th batch and the family were the special invitees of the day. Organic colors were diligently chosen to celebrate the festival of colors. After the Celebration OTs and the invitees relished the thandai, Nimboo pani, Ghujiya, and Kheer.
4. **Celebration of World Sparrow Day (20.03.2025)**- the Nature and Photography team of Officers' Club organised campus visit for children followed by Drawing Competition by Cultural Team. They showcased creativity highlighting the sparrows and need to protect them. Further, a documentary was screened by the Movie and Media Team highlighting their importance in nature and the need for conservation.
5. **Celebration of International Day of Forests (21.03.2025)**- Officers' Club organised the Sensitisation session by the Officer Trainee to Staffs of the CASFOS on importance of Forest and its conservation. Followed by the Quiz Competition to appreciate the knowledge of the forest and encourage it. The Winning Team and runner-up team were rewarded with the Cash Reward and Certificate of Appreciation.
6. **Bird Watching Session (05.04.2025)**- the Nature and Photography team of Officers' Club organised the bird watching session. Shri Amalendu Pathak Sir (Vice President, Officers' Club) along with the Resource Persons Dr. Sipu Kumar sir from Wildlife institute of India (WII) and Dr. Raman sir, Researcher on birds joined us for bird watching session which started at 7:00 am in the morning. Brief introduction was given by resource persons about Merlin bird ID app (helps to identify birds using photos, sounds, and location data) and e bird (keep track of birds list). Various Identification methods such as Based on calls, colour of bird, wing pattern, beak, patches on body parts, eye colour were taught. Officer Trainees Actively participated, and it did indeed ignite the spark on the OTs to observe and identify the birds around them.

➤ **Master Class Lecture Series:**

1. **Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act 2013- Introduction & Awareness (02.04.2025)**- This act provides a safe working environment for women by defining sexual harassment, mandating Internal Complaints Committees (ICC), and outlining redressal mechanisms. It promotes gender-sensitive workplaces, empowers women to report harassment, and ensures accountability through legal and institutional frameworks.

2. **Jungle Lodge: Case Study on Successful Operationalizing (06.12.2024)**- Jungle Lodges and Resorts (JLR) is an eco-tourism initiative by the Government of Karnataka, established in 1980. It promotes sustainable tourism while conserving the rich biodiversity of Karnataka. JLR has grown from a single lodge at Kabini to over 20 eco-resorts across the state, becoming a model for eco-tourism in India.

➤ ***Special Lecture Series:***

1. **GI as a tool for the conservation of Natural Resources (07.05.2025)**- GI as a tool for conserving forest products (NTFP) through improving their marketing facility and conserving the value of product and providing opportunities for improving livelihood activities.
2. **Conservation- Introduction of Cheetah in India (24.03.2025)**- Cheetahs were reintroduced in India at Kuno National Park to restore the extinct species. Project Cheetah marked a historic success with cheetahs breeding in India after 70 years, and over 50% cub survival rate.
3. **Conservation- Introduction of Cheetah in India (24.03.2025)**- Cheetahs were reintroduced in India at Kuno National Park to restore the extinct species. Project Cheetah marked a historic success with cheetahs breeding in India after 70 years, and over 50% cub survival rate.
4. **Green Infrastructure for Landscape Conservation (20.01.2025)** - Green Infrastructure refers to a strategically planned network of natural and semi-natural areas designed to deliver a wide range of ecosystem services, such as clean air and water, biodiversity conservation, climate regulation, and recreational benefits.
5. **Green Building (22.01.2025)**- when we construct any building or structure it should be of carbon zero or negative and negative impact on environment. Even when after construction there should be carbon zero or negative like no AC, ventilator etc. Ex: ONGC, SACON Coimbatore, Infosys Bengaluru
6. **Air Quality management in Delhi**- An enlightening session by Dr Jayaraman where the officer trainees got to know about the complexities involved in measuring Air Quality Index with special emphasis on Delhi. The session also taught us how institutional mechanisms work when it comes to management of air pollution.
7. **Biophilia in Nature Interpretation and Education (06.12.2024)**- Biophilia refers to the innate human affinity for nature and living systems. In the context of nature interpretation and education, it emphasizes fostering emotional and cognitive connections between people, especially children—and the natural world. This approach enhances environmental awareness, promotes conservation values, and encourages sustainable behavior through immersive, sensory-rich experiences in natural settings. Programs using biophilic principles aim to rekindle the bond with nature in an increasingly urbanized and digital world.

8. **Use of A.I. to Mitigate Elephant death in Railway Track (17.09.2024)**- Location Solakarai beat Madhukarai forest Range. AI based surveillance system to automatically detect and identify specific objects, animal their behavior triggering alerts when necessary.
9. **Leadership Qualities (13.09.2024)**- learned that leadership qualities are the traits that enable individuals to inspire, guide, and influence others effectively toward achieving common goals. There are different types of leadership traits among which democratic leadership is most preferred. The traits include integrity, vision, communication, decisiveness, and empathy.
10. **Prevention against sports Injury (02.09.2024)**- Key learnings from the session on Prevention Against Sports Injury (02.09.2024) includes the importance of proper warm-up, correct techniques, and using appropriate gear to minimize injury risks. Regular rest, hydration, and listening to the body also play a crucial role in injury prevention
11. **Etiquette, Courtesies, and officer-like qualities (27.08.2024)**- Mr. P. Wahule, IFS, conducted a session on Etiquette, Courtesies, and Officer-like Qualities. The session taught me the key traits an officer should have. Qualities like discipline, honesty, leadership, politeness towards staff, and courage help set an officer apart from others.

5. Details of Theme based Short Term/ General Refresher Courses conducted during 2024-25:

5.1 In-service Course

The list of training programs are as follows: -

(i) Brief Detail of Green Infrastructure Course:

The training was inaugurated in the presence of Shri E.Vikram, IFS, Principal, CASFOS, and Dehradun. In the opening remarks, Shri E.Vikram, IFS, stressed the need for such courses for the serving officers and how the development goals must be balanced with the Green Infrastructure approach.

S. No.	Name of Training Workshop/GRC	No. of Participants	Duration	Weighted Average for the Course
1.	Green Infrastructure	24	20 th to 24 th January 2025	89.78%

6. Details of Two days training under “Forestry Training and Capacity Building” conducted during 2024-2025: -

6.1 Training for Other Stakeholders and Personnel of other Services

As a part of the scheme of the Ministry of Environment, Forest and Climate Change, Govt. of India, New Delhi, to train Other Stakeholders outside the domain of the Forest Department which include Academicians, Wildlife Biologists, Tiger Conservation Foundation experts, and Nature Interpretation Centre Developers, etc. Details of the courses are as follows:

a) Training of Other Stakeholders

- (i) **brief details of Nature Interpretation and Ecotourism Course:** A 3-day Training for Other Stakeholders on "Nature Interpretation & Ecotourism" concluded with the valedictory session on 06.12.24. Sh Raj Kumar Bajpai, IFS, Director, Directorate of Forest Education, Dehradun, Sh E. Vikram (IFS), Principal and faculty members of Central Academy for State Forest Service, Dehradun were present during the session.

S. No.	Name of Training Workshop	No. of Participants	Duration	Target Audience	Weighted Average for the Course
1.	Nature Interpretation and Ecotourism	30	4 th to 6 th Dec 2024	Academicians, Wildlife Biologists, Tiger Conservation Foundation experts, and Nature Interpretation Centre Developers, etc.	90.09 %

b) Training of Personnel of Other Services during 2024-25

- (ii) **Brief details of Green Approach to Development Course:** The said training programme was conducted in physical mode at the Academy with a total of 7 lecture sessions by Subject Matter Experts, a full-day field visit by the Course Director, along with an inaugural and valedictory session at the beginning and end of the course respectively. A total of 30 nominations from 04 states received for the said training, but only 27 participants from 3 states attended the training.
- (iii) **Brief details of Wildlife Trade & Trafficking Course:** CASFOS, Dehradun organized a 3-day Training for Personnel of Other Services on "Wildlife Trade & Trafficking" between 05.03.2025 and 07.03.2025 for Class II & III Officers of Police, Customs, CISF, ITBP, RPF, IB, DRI, ED, Commercial Tax Department, etc. The training program was conducted at the Academy with a total of 11 lecture sessions by Subject Matter Experts, and a full day field visit coordinated by the Course Director. 7. (A) Write up on “Swachhata Abhiyan” conducted during 2024-25
(With high resolution photographs in jpeg format alongwith their caption)

The Central Academy for State Forest Service, Dehradun has identified and adopted a multipronged strategy to achieve its vision of transforming itself into a carbon neutral campus. Salient features of this strategy are as below: -

- Regular *Shramdan* to keep the Academy clean and green.
- Involvement of Officer Trainees, staff, and their families to ensure pollution free Environment.
- This academy has already banned the use of plastic items in day-to-day activities in training.
- A pledge was taken to Refuse, Reuse, Recycle and Reduce the use of plastic in day-to-day life.
- Clean and efficient use of energy.
- Phasing out of CFL and replacing it with LED lighting in phased manner.
- Cyclothon was organized on the occasion on Swachhata Abhiyan 2024 under the LIFE Mission.

(B) Event under “Mission LiFE” conducted during 2024-25

Life theme	Event Date(s)	No. of Participants (Physical/Virtual)
“Swabhav Swachhata Sanskaar Swachhata”	02.10.2024 to 31.10.2024	100+

(C) Special campaign 3.0 for disposal of pending matters conducted during 2024-25 (With high resolution photographs in jpeg format along with their caption)

S.NO.	Particulars	Central Academy for State Forest Service Dehradun		
		Qty (kgs)	Space freed (sq.ft.)	Revenue generated (Rs)
A	Scrab Waste			
	1. Wooden furniture, Metallic items, Papers, Files, Records, Any other item.	180Kg.	143Sqt.	980/-
B	e-Waste			
	1. Computers, Printers, Scanners, Keyboards, Photocopier, Any Other item	-	-	-

8. Any other initiatives/Activities undertaken during the year 2024-25: -

- a) World Environment Day 2024 was observed in the Academy on the theme of “Land Restoration, Drought Resilience and Preventing Desertification from 27 May 2024 to 05 June 2024.
- b) International Yoga Day was celebrated on 21.06.2024.
- c) Van Mahotsava 2024 celebration by planting trees on campus.
- d) Independence Day function was observed in the academy.
- e) *Rajbhasha Pakhwada* was held in the Academy from 13th to 27th September 2024. On this occasion, several competitions like - Hindi typing competition on computer, Essay competition and handwriting competition etc. were organized by the Academy.
- f) On the occasion of Vigilance awareness week, a pledge was taken by the Principal, Faculty and staff members of the Academy on 28th October.
- g) An oath was taken by the Principal, Faculty and Staff members of the Academy on the occasion of National Unity Day on 31 October 2024.
- h) An oath was taken by the Principal, Faculty and Staff members of the Academy on the occasion of Constitution Day on 26th November 2024.
- i) Republic Day was observed by the Academy and staff members, whose performance had been excellent, were felicitated.
- j) The Nature Photography competition & e-Exhibition was observed by the Academy.
- k) Digital Designing Workshop was observed in the Academy.
- l) Cyclothon was organized on the occasion on International Day of Forests 2024 under the LIFE Mission.
- m) On 07.01.2025 a Blood Donation Camp was organized in the Academy with collaboration of IMA Blood Bank, Dehradun. Officers, OTs & staff members came together with a spirit of selflessness and compassion for blood donation and to support those in need. A total of 64 units were donated in the camp.
- n) World Wildlife Day was celebrated on 03rd March 2025.
- o) Holi celebrated in the Academy by Faculty, OTs and Staff.
- p) World Sparrow Day was celebrated on 20.03.2025.
- q) Pilot restoration of the worn-out bricks in the historic CASFOS building.
