EXECUTIVE SUMMARY

The Central Academy for State Forest Service (CASFOS) Burnihat under the aegis of Directorate of Forest Education (DFE), Ministry of Environment, Forest and Climate Change, Government of India, took a step ahead of its mandate and conducted a three-day training programme for Teachers on the theme of “Green Teachers- Conservation Education” w.e.f. 09th to 11th December, 2025. The training was sponsored by the Ministry of Environment, Forests, and Climate Change, Government of India, under its scheme ‘Forestry Training & Capacity Building’ as part of the Training of Other Stakeholders programme. Teachers, being an important stakeholder in developing environmentally responsible behaviour among the students and younger generation, through further effective conservation education campaigns, this training Course on Green Teachers- Conservation Education was planned and organised. 30 teachers from various schools from Assam & Meghalaya participated with overwhelming enthusiasm in the training.

At the outset, Dr L.C. Bandana, IFS, Course Director, welcomed the participants and guests to the occasion, highlighting the aims and objectives of the Course and its expected outcomes. Shri Rahul M. Rohane IFS, Principal CASFOS Burnihat, felicitated Dr Purnima Devi Barman, Conservation Biologist, a Nari Shakti Purashkar awardee and UNEP Champions of the Earth award recipient, who graced the inaugural session as the Chief Guest, followed by a presentation about the academy. In her inaugural address, Dr Purnima shared the inspiring conservation journey of the Greater Adjutant Stork, locally called Hargila, a critically endangered bird species. She further delivered a lecture session on “Success Story of Community Conservation -Hargila Army” and emphasised that community-led conservation, Women’s leadership, and Cultural integration can successfully not only save endangered species but also empower people and bring positive social change.

Guest Speakers/ Resource persons namely Dr. L.C. Bandana, Lecturer CASFOS Burnihat; Dr. Narayan Sharma, Assistant Professor, Cotton University; Dr. T. C. Bhuyan, Scientist- C (Retd.), Consultant, NECBDC; Shri Nilutpal Mahanta, Senior Manager, We Foundation India; Dr. Mohammad Siraj Ansari, Scientist CASFOS Burnihat; Dr. Alolika Sinha, Conservation Biologist, Aranayak, Guwahati; Ms. Sudeshna Gupta, Education Officer, North of England Zoological Society & Freelance, and Shri Rahul M Rohane, IFS, Principal CASFOS Burnihat deliberated on various Conservation related topics in this

training programme.

The topics covered during the Course were Success Story of Community Conservation-Hargila Army, Conservation Ethos & Human Civilisation, Nature Conservation in Urban Landscapes, Overview of Bamboo & Cane sector in India, Citizen Science Application, Awareness on Environment Pollution, Biodiversity Conservation initiatives in North-East India, Engaging Young Minds: effective tools for Conservation Education & Hands-on exercise, Introduction to Mission LiFE. Besides the Lecture room sessions, the participants were taken to the North East Cane & Bamboo Development Council, Burnihat, in the afternoon on 09th December, showing the green infrastructural wonders from the Cane & Bamboo sector. They were also provided exposure to Bird watching & Jeep safari at the Field Visit to Pobitora Wildlife Sanctuary on 10th December, and the detailed Schedule showing session-wise Topics and Resource Persons is enclosed as **Annexure-3**.

During the Valedictory session graced by the Principal CASFOS Burnihat and joined by other faculty members, the participants shared their experiences and feedback about the Course, followed by the handed over the Certificates of completion to the participants. The participants were applauded for taking the first step towards Conservation Education by attending such a training programme with the hope that they would take the responsibility of environmental conservation in their respective schools by designing such campaigns.

A total of 32 Teachers from Assam & Meghalaya registered for the training, out of which 30 Teachers were selected on the basis of early registration and participated in the Course, of which 13 were male, and 17 were female. The Course was overwhelmingly appreciated by the participants, who also requested more such training programmes regularly to keep up the momentum of environmental conservation ideas. They also requested such sessions, if possible, at their schools for maximum participation of teachers and students. The presentations made by the experts/resource persons in each session and the photographs during the period were shared with the participants in digital format.

Format for reporting evaluation of Training course conducted by the institute/organization for other stakeholders sponsored by the Ministry of Environment, Forests & Climate Change, GOI, New Delhi as per the merged format of MoEF&CC and JICA

Course Report

MoEF&CCs /DFE's letter number & date		MoEF&CC's F.No. 15/22/2024-RT dated 07.02.2025. DFE's letter No. 4-957/Trg-II/DFT-2024/3754 dated 18.11.2025.
Institute's reference number		CASFOS/BHT/15-298/1090 dated 22.11.2024, CASFOS/BHT/15-329/914 dated 10.11.2025
1.	Name and complete address of the Institute (including phone, fax and e-mail)	Central Academy for State Forest Service, Burnihat Email: casfos-burnihat@gov.in casfosburnihat@gmail.com
2.	Title of the course	Green Teachers – Conservation Education
3.	Duration & period of the Course	Three Days 09 th to 11 th December, 2025
4.	Name & designation of the Course Director	Dr L.C. Bandana, IFS, Lecturer CASFOS, Burnihat
5.	Number of persons participated	30 (Details at Annexure - 7)
6.1	(a) Did the institute get in touch in advance with the participants of the course?	Yes
	(b) If yes, when (mention the date of Communication to the participants)?	Correspondence with Schools was made through email letter w.e.f. 14.11.2025 & thereafter through phone, WhatsApp group, etc.
	(c) Details of nomination received prior to the Course	32
	(d) How many persons received the intimation?	All
	(e) How many persons responded?	32

6.2	(a) Were the course expectations of the participants ascertained by the institution?	Yes
	(b) If yes, how and when (dates)?	During the inaugural session, highlighted the aims & objectives of the Course & its expected outcome followed by feedback collected on the prescribed proforma during the Course & experience-sharing session at the end of the Course.
7.1	(a) Was the course conducted at the institution's campus? If no, where?	Yes
	(b) Whether the course was residential or non-residential. If residential, whether the residential facilities were provided in the institution's own hostel or in a hotel etc.?	Residential and in the Academy's own hostel & campus
7.2	(a) Total no. of working days in the course	3 days
	(b) Total no. of sessions planned/covered in the course	9
	(c) No. of sessions, which could not be conducted as planned with reasons	NIL
	(d) Internal faculty hours	06 hours
	(e) Guest faculty hours	07 hours and 30 minutes
	(f) No. of days/hours spent in the field visit(s), if any	07 hours and 15 minutes
Enclosure: <ul style="list-style-type: none"> - Course Schedule - Course Flyer - List of faculties (both in-house and guest faculty) - List of participants - Attendance sheets for 3 days - Feedback forms received from the Participants 		
8.	(a) Had the same or similar course been conducted earlier under the sponsorship of the MOEF&CC/ Department of Personnel and Training (Government of India)?	Yes, this Academy has conducted training on this theme in previous years.

	(b) What changes based on the feedback received in the previous course were made in the current Course?	Previous trainings have been appreciated widely & more such trainings are requested. This year, the training was conducted separately for teachers, drawing experiences from the past trainings, to cover more participants as well as for better expression/ exchange of ideas among the participants & keeping a uniform target audience appropriate to the Course level.
9	Abstract of the feedback received from current Course participants refers to questions related to Course Contents, Training Faculty, Usefulness of the Course, Overall impression about the Course, Logistics, etc., are shown below.	
9.1	Course Content and Structure (CCS)	Course Content & Structure have been highly appreciated by participants with a 93.96% rating. Participants assessed that the Course aim was met to their full satisfaction with a 95.83% rating, increasing their knowledge & skill level to a great extent, scoring 92.50%. The content of the course was greatly relevant, with a 95% rating & the reading material was highly satisfied, with a 92.50% rating.
9.2	Training Faculty (TF)	The participants have overall rated the training faculty at 96.22%. Training faculty & their lectures were immensely appreciated by the participants by rating the Contents of their deliberations, Presentation skills, Quality of discussion/interaction and the extent in meeting the objectives at 95.90%, 96.48%, 94.91% and 95.76% respectively. The Field visits were also appreciated and rated at 96.67%.
9.3	Usefulness of the course (UOC)	The participants have given feedback that the training course will be highly useful to them, with a rating of 96.25%. As per them, it will be useful immediately as well as in their future job with ratings of 95.83% & 96.67% respectively.
9.4	Overall impression about the Course (OIC)	The participants have highly appreciated the Course and rated the overall impression of the course with a rating of 89.17%.
9.5	Participants' views about the strengths and weaknesses, as well as other aspects pertaining to the course	Overall, the participants have appreciated the course. The suggestions made by them, along with the Academy's/ Course Director's comments, are attached. (Annexure-1)

9.6	Logistics (including Residential accommodation, Food quality, Classroom facilities, Computer facilities and Recreation facilities and Time management, etc.)	Overall rating for Logistics is 95.58%. Accommodation was well appreciated by all of the participants, rating 94% since they stayed in a well-furnished Executive Hostel where modern amenities were made available, and the Food quality was highly appreciated, with a rating of 95.33%. Most of the participants have commented that the Course has been organised well with proper time management, 95.67% and the Classroom/ Conference room facility was also highly rated, 97.33%.
9.7	Weighted Average of the Course	The weighted average of the Course has been Calculated and found to be 94.05% which is highly satisfactory.
10	General remarks of the Course Director on the nature and extent of participants' involvement in the course, including attendance punctuality and interest evinced	All the participants were punctual & very interactive during the sessions. They showed enthusiasm & expressed their keenness to learn & willingness to raise awareness among more people in their respective schools.
11	Suggestion highlighting the areas of improvement in the Course for the future by the Course Director	Feedback received is excellent in all aspects of course design, content, quality, management, etc. However, capping the limit of participants to a fixed number of 30 was not convenient since picking, on first come first-served basis, only 1 teacher, leaving other nominations/ peers from the same school, was in fact demotivating to the participant, who withdrew themselves at the last hour. So as to avoid such inconvenience at the planning & preparations of the Academy, the number of participants should be a little flexible, keeping within a range of 30-40.
12	Comments of the Institution on how the feedback is proposed to be recycled into future programmes in terms of the course content, methodology, etc.	As shared by the participants, they immensely benefited from the course. The Academy will propose to conduct this training every year and try its level best to incorporate the suggestions for further improvement in future.

Dr. L.C. Bandana, IFS
Course Director & Lecturer
CASFOS Burnihat

Course Director's comments on participants' views about the strengths and weaknesses pertaining to the course

SN	Participants' views	No. of participants expressing the views	Course Director's Comments
1.	Overall excellent course in terms of Course aim met to their satisfaction, Course content highly informative & relevant & significant increase in knowledge.	28	Every aspect of the Course in terms of content & structure was thoroughly planned in advance, deliberated among the authorities & well taken care of, which yielded the positive outcome.
2.	Excellent Logistics including Accommodation, Food quality, Classroom facilities, Hospitality, Time management, Campus ambience, etc.	29	Every aspect of Logistics was taken care of after thorough deliberations, planning & briefings among the implementing/ managerial officials, which yielded positive remarks.
3.	The Resource Persons and their lectures were overall excellent in their Content, Deliberations, Presentation skills, and Quality of discussion/ interaction.	29	Timely communication with Resource persons about the aims/ objectives, target audience, mapping & keeping their feedback in view through various previous trainings, etc. resulted in the positive outcome.
4.	The Field visits were found most enlightening, learning & beneficial to connect to nature.	29	Field visits with the aim of nature learning through exposure to green technology in the Cane & Bamboo sector, especially in the NE region, and demonstration of Citizen Science Application in Pobitora Wildlife Sanctuary
5.	Addition of topics like policy & governance, integrated approaches to community livelihood, public's collective action in polluted areas, forest protection, and more such field visits/ practical sessions & trainings in their places.	08	The majority of participants found all the relevant topics covered during the Course, while a few suggested some of these topics which may not be relevant for the present Course; however, we can propose & plan for local community stakeholders in future programmes.

Dr L.C. Bandana, IFS
Course Director & Lecturer
CASFOS Burnihat

NUMERICAL VALUE OF FEEDBACK AND WEIGHTED AVERAGE

For the calculation of the numerical value of feedback, each factor is valued as a percentage value of the top grade given to the factor. If no answer is provided, it is excluded from the calculation. The average of the numerical values of factors consisting of the element is a numerical value of the element.

1. Course Content and Structure (CCS) = 93.96

- 1.1 Course aims met (95.83)
- 1.2 Increase of knowledge (92.50)
- 1.3 Relevance of content (95.00)
- 1.4 Reading Material (92.50)

2. Training Faculty (TF) = 96.22

- 2.1 Assessment of the Course contents/topics = (95.76)
 - 2.1.1 Contents (95.90)
 - 2.1.2 Presentation (96.48)
 - 2.1.3 Quality of Discussion/Interaction (94.91)
 - 2.1.4 Meeting for Objectives (95.76)
- 2.2. Field Visit Content (96.67)

3 Usefulness of the Course (UOC) = 96.25

- 3.1 How useful to you immediately (95.83)
- 3.2 How useful to be for the future jobs (96.67)

4 Overall Impression about the Course (OIC) = 89.17**5 Logistics (L) = (95.58)**

- 5.1. Residential Accommodation (94.00)
- 5.2. Food Quality (95.33)
- 5.3. Classroom facility (97.33)
- 5.4. Time Management (95.67)

Weighted Average for the Course

For the calculation of Weighted Average (WA), the following formula is used.

$$\text{WA} = (\text{CCS (100\%)} + \text{TF (100\%)} + \text{UOC (75\%)} + \text{OIC (100\%)} + \text{L (75\%)} * 100/450$$

$$\text{WA} = (93.96 + 96.22 + 72.19 + 89.17 + 71.69) * 100/450 = \mathbf{94.05\%}$$

Three days' training for Teachers on

GREEN TEACHERS - CONSERVATION EDUCATION

9th to 11th December, 2025

CENTRAL ACADEMY FOR STATE FOREST SERVICE
BURNIHAT

ABOUT CASFOS

Established in 1976, the Central Academy for State Forest Service (CASFOS) in Burnihat is the first of three academies under the Directorate of Forest Education, Ministry of Environment, Forest & Climate Change, Govt. of India. Its primary objective is to provide professional training to State Forest Service (SFS) officers from various States and Union Territories, aiming to produce competent forest managers. Additionally, it provides training to Forest Range Officers (FRO), as well as short-term training courses for personnel from other services such as the Police, ITBP, CRPF and other stakeholders groups like students, teachers, media etc. CASFOS, Burnihat is uniquely located on the border between Assam and Meghalaya, straddling both sides of National Highway 40, commonly known as GS Road. On November 15, 2023, the Academy received the prestigious "अति उत्तम (Atti Uttam)" accreditation from the National Accreditation Board of Education and Training (NABET).

BRIEF HISTORY OF TRAINING

To date, the Academy has trained 614 SFS officers across 19 batches from 28 different States, 518 FROs in 19 batches from 23 States and more than 1000 personnel of other services & stakeholder groups in various short term / refresher courses.

FACILITIES

Three lecture halls, one Computer lab, Library, Auditorium, Conference Hall, Small Museum for showcasing forestry tools, Sports facility including playground, basketball court, tennis court, Trainees' hostel, Executive hostel etc.

ABOUT THE COURSE

Green Teachers- 'Conservation Education'

This Course on Conservation education helps Teachers understand and improve their values toward the environment, guiding them to make wise, sustainable decisions. It aims to shape attitudes, emotions, knowledge, and behaviour regarding forests, wildlife, and nature. The ultimate goal is to create active, conservation-minded citizens through Teachers who share responsibility for maintaining an ecologically balanced and sustainable planet.

AIM

To train Teachers of schools and to develop awareness about the immediate natural environment, plants, animals, etc. They would be able to infuse responsibility of environmental conservation in the younger generation thereafter, through effective Conservation Education campaign designing.

COURSE DESIGN

- Three days offline training
- Practical inputs by discussions with experienced officers, resource persons involved in Conservation.
- Case studies of successful conservation steps.
- Supported & supplemented by audio visuals and reading material.
- Field visit to expose the participants to various nature conservation issues.

FACILITATORS/RESOURCE

- In-House Faculty having experience in the field of forestry and wildlife.
- Guest Faculty with specialization in dealing with conservation.

DURATION

The course will be of three days duration commencing at 9.30 am on 09th December, 2025 and ending at 04.45 pm on 11th December, 2025. There will be four sessions of about 90 minutes each interspersed with 15 minutes breaks.

MODE OF DELIVERY

The sessions will be held offline at 'Sylvan Hall' of Central Academy for State Forest Service, Burnihat.

TOPICS TO BE COVERED

The program will cover topics related to "Conservation Education". Some of the key topics to be covered would be:

- Conservation Ethos & Human Civilization.
- Communicating Conservation
- Awareness on Environment Pollution
- Biodiversity Conservation initiatives in North-East India
- Designing Effective Conservation Education Campaign
- Hands-on Session for Participants
- Success Story of Community Conservation-Hargila Army

FIELD VISITS

- Visit to Pobitora Wildlife Sanctuary, Morigaon (Demonstration of Citizen Science Application)

REGISTRATION FORM

The Participants can register using the below registration link.

REGISTRATION DETAILS

The registration of participants will start from 14th November, 2025. There are only 30 seats for the training and participants would be selected on the basis of early registration. The selected participants would be intimated in advance.

GOOGLE FORM LINK:

<https://forms.gle/2rCytBEeKsUNh33Z7>

Register through the above link.

QR CODE:

COURSE MATERIAL

In addition to the classroom sessions, all the course material, papers, presentations etc will be shared with all the participants.

CERTIFICATE

A certificate of participation will be provided to all the participants at the end of the course.

BOARDING & LODGING

Boarding and lodging will be borne by CASFOS, Burnihat and will be provided in the Executive Hostel of the academy.
