<b>Sl. No</b>	<b>Participants' views</b>	<b>No. of participants who have expressed the view</b>	<b>Course Director's comments</b>
<b>1</b>	All Course frame covers almost all type of wildlife related legal issue and practical approach to fulfilled our needs.	<b>1</b>	-
<b>2</b>	<b>Strength-</b> Related to legal issues in wildlife & forests all relevant fields were covered, content of the lecture was appropriate, theory with practical aspects gave holistic coverage of the issues. Overall, a great learning experience. <b>Weakness-</b> Due to lack of proper co-ordination in tours time was wasted.	<b>1</b>	Due to Mobile Connectivity Issues prevailed in Anamalai Tiger Reserve, there was a delay in coordination. In Future, other modes of communication will be explored for proper coordination.
<b>3</b>	Longer duration of training should be imparted on FCA especially hands on training on PARIVESH Portal. Myself being from Andaman felt that apart from Tiger & Leopard special emphasis should be given on Crocodile rescue which is an essential aspect of my field work. Overall, it was an excellent course & satisfactory.	<b>1</b>	Noted for Future Compliance.
<b>4</b>	Other than Indian Forest Act 1927 and Wildlife Protection Act 1972, the information provided on Biodiversity Act 2002 and NDPS Act 1985 will be of great useful while executing duty on field.	<b>1</b>	-
<b>5</b>	The courses and topics were very designed to suit our current requirement and challenges. Allocating one full day for FCA along with hands on training would have been still better. Stay was very comfortable and food was good. The Course coordinator excellently coordinated all the affairs with great Plan.	<b>1</b>	Noted for Future Compliance.
<b>6</b>	The session with field personnel and their exemplary experience sharing was major strength of the course which would assist in preparing future road map to deal similar cases	<b>1</b>	-
<b>7</b>	The legal issues can be discussed more with the case studies and application of law and rules therein.	<b>1</b>	Noted for Future Compliance.
<b>8</b>	Five-day training is very useful. Course design is relevant topic chosen is very useful. All the topics cover during this course is very crucial in field job.	<b>1</b>	-

9	The course was excellent. However, an experience sharing session among the participant officers shall be planned to share their field experiences.	1	Since the training is on legal aspects, almost all Guest Speakers were requesting for 2 sessions. However, the same is noted for Future Compliance.
10	This Course is updating in job. As well as knowing the new amendments and its powers, especially BD Act. Weakness means make physical mode session avoid video conference session.	1	Due to the sudden medical emergency of Guest Speaker (who have been invited to take offline session on FRA, 2006), we have arranged for Online session. In future, Offline session will be more preferred than online session.
11.	If the training is about 10 days it will be more useful to interact 13 state officers. Classes in video conference is bored when it is compared physical mode class.	1	
12.	Felt the VC classes were not that much be effective as other classes in physical mode.	1	
13.	Training and syllabus were good, faculty was also good, Quality of food was can be improved.	1	Noted for Future Compliance.
14.	Since, the training is for One Week only, every lecture although was very good seemed to be rushed. All the topics were very important and so it would be really good to cover them more thoroughly.	1	Noted for Future Compliance.
15.	Overall, this whole workshop was very informative and very essential for in service officer to refresh and update their knowledge level on the legal aspects.	1	-
16.	Valuable Course, Worthy in the update for tools & Technology, highly recommended time to time.	1	-
17.	Mock drill of wildlife court cases and bio diversity cases, relevant with filing compliant in the lower court and appeal to High in court if required and filling to SBB & NBA respectively. Making Environment Impact Assessment Report	1	Noted for Future Compliance.
